

Hi, I am Andy Clarke, Chair of the Federated Governing Body of Hindlip and Tibberton CofE First Schools. I have two daughters who both went to Tibberton School, Emmie is now at college and Hollie is Year 9 at Pershore High School and starting her GCSEs. I am in my 10<sup>th</sup> year as a governor for Hindlip and Tibberton First Schools. I am actively involved in school life and strive to make children's education the best it can be. My wife and I run a small business in Droitwich.

I am Reverend Laura Handy and am a Foundation Governor and one of the vicars in the Saltway Team (Droitwich, Salwarpe, Hindlip & Martin Hussingtree). I have been a governor at various different schools and before being a vicar was a youth worker, working alongside schools in Staffordshire. When I'm not working you will probably find me walking my chocolate labrador Milo or out in my kayak.

I am Alex Gromski and I am privileged to be the Executive Headteacher of the Tibberton and Hindlip CofE First School Federation. I have over 20 years of experience as a teacher, having worked in schools in a variety of differing contexts. I have three children, who attend primary and high school and who keep me busy when I am not at school! I am proud of our two happy, caring schools, where a close family feel is supported by a strong Christian ethos. I lead a hard-working team of inspirational staff who give their very best to our school communities.

I am Margaret Rowley and I am the Local Authority Governor for our School Federation. I am an experienced Councillor working for the Wychavon District Council and the Bowbrook Ward. I work hard, as a member of the Council, to have a positive impact on our local communities. I bring this ethos to the Governing Body and my governance role in our School Federation.

Hello, my name is Lynn Dickens and I am proud to be a Foundation Governor for our Federation of schools. Prior to retirement I enjoyed a varied career in education, both Mainstream and Special Education including Home and Hospital Tuition. Since retirement I have become actively involved in village community projects and link school and church. I present an 'Open the Book' assembly in school where the children act out a Bible story and on special occasions in Tibberton Church. I often support children with their reading and accompany them on school trips. Involvement in both schools is always a joy.

My name is Jeff Porter. I am the Bishop's Representative/Ex-Officio Foundational Governor and have been the minister of Fernhill Heath Baptist Church for 20 years. I'm also Chaplain at Worcester City Football Club. A focus of my governor roles includes health and safety (due to being in engineering when I had a proper job) and also well-being. I'm also part of the Open the Book team that take assemblies on Wednesdays at Hindlip School. In my spare time I enjoy golf, badminton, fishing, watching football and visiting Uganda.

My name is Josh Uren and I'm the Head of School at Hindlip First. I am also the Special Education Needs Coordinator (SENCO) for both of our schools. I have worked in education for 17 years and taught Year 6 down to Pre-school and toddlers in the EYFS. My passions are football and cinema, which I now seldom get time for with a preschooler and school age daughter at home! I am proud to work with such dedicated staff who go above and beyond to serve the needs of their community.

My name is Rhiannon Jordan and I am the Head of School at Tibberton First. I have worked in education for over 20 years and taught across the age range as well as other roles and responsibilities. I am a mum to two girls who, as they near teenage years, keep me on my toes! We love taking time as a family, camping and in the outdoors as much as we can. I feel incredibly lucky to work for such a committed Federation where we all work to live our values and provide the very best for all of our families.

Hi my name is Kathryn Clarke and I've been involved with Hindlip / Tibberton Federation for the past 15 years and a Governor for the last 12. I am currently the vice chair of governors. Both my children attended Hindlip and are now in years 13 and 10. I try to be involved with school life as much as possible and have been on most committees and held numerous positions within the governing body. It's a privilege to be part of Hindlip and Tibberton CofE First Schools.

Hello! My name is Matthew Davies and I've had the joy of being a Co-opted Governor since Autumn 2019. I thoroughly enjoy hearing about the memories your children make at Hindlip and Tibberton, and the contribution many of you make toward our school communities. Ever inquisitive, I enjoy asking questions and reassuring myself that the help, support and learning experiences your children benefit from is the very best. As a qualified child and family's social worker, I enjoy ensuring that our schools are safe, supportive and enjoyable places for your children to thrive.

Hi, I'm Jennie Lowe, a Parent Governor. I am the very proud mum of Poppy who is at Tibberton and I have been unfailingly delighted with the education and care she receives at this wonderful school. I am currently the Principal Social Worker at Shropshire Children's Services so have a keen interest in all things safeguarding. In my spare time I am an enthusiastic open water swimmer and can usually be found seeking out the coldest places to take a dip!

I am Avinash Parmar, Co-opted Governor of the Federated Governing Body of Hindlip and Tibberton CofE First Schools. I joined the governing body around 4 years ago and am part of the finance committee. Both my children attend Hindlip and thoroughly enjoy it. It is great to be part of the school community. I am a chartered architect and my own small practice. I hope to utilise these skills during my time with the governing body.

Hi, I am Alexis Pritchard. I joined as a Parent Governor 6 years ago, and my initial role included being a member of the Teaching & Learning Committee. I have transitioned over to being a Co-opted Governor, as I enjoy the role so much. Both my children have attended Hindlip where they had an amazing start. I have spent the last 20 years teaching in middle schools and high schools, with the majority of my time at Nunnery Wood High School. I enjoy being part of the school community, helping with PTA events, and assisting on trips. It is great seeing what the children have achieved and all the amazing opportunities they are given. I look forward to further supporting Hindlip and seeing it thrive.

I am Lorena Lewis, Clerk to the Governing Body and Federation Business Manager. I feel blessed to have worked for Hindlip School and then the School Federation for over 16 years. I have two older children who still keep me busy, one studying at university and one in the Police Force! I also enjoy going to the gym and cinema in my spare time, as well as visiting my family in Scotland.
