Executive Headteacher: Mr A. Gromski

Head of School: Mrs R. Jordan

Email: office@tibberton.worcs.sch.uk

Dear Parents and Carers,

This year we will be continuing with the same maths homework books we used last year. This book aligns with the White Rose Maths scheme we currently follow.

Please note that the pages in this book may not always be completed in order, as we have adapted the scheme to suit our children. Each week, in the newsletter, we will let you and your child know which specific pages need to be completed. **We kindly ask that you only complete the pages we assign, as this helps us ensure that the homework supports what is being taught in class.** Each session should take no more than 30 minutes. Feel free to tackle a few questions a night as there is no expectation to complete them all in one go! Most weeks there will be three pages to compete, some practise questions, real world problems and questions to talk through.

These homework books have been a large investment for our school, so if the book is lost or damaged, we will be politely asking families to replace it. They are available to be purchased through Amazon. Please help your child take care of their book and bring it in each week for us to mark, and set new pages. The day you need to return the book will be indicated in your child's class leaflet. The one book will last the whole year. Please complete each question using a pencil.

To support you at home, we will also be creating and signposting short videos to explain some of the maths concepts and methods we're using in class, as they come up in the homework book. These may be new or unfamiliar, and the videos are designed to help you feel confident when supporting your child's learning. At the start of each block, there is a knowledge organiser. This helps explain some of the key learning and vocabulary. If you have any questions at all please feel free to ask.

We will continue to have a section in the newsletter that indicates which pages your child will need to complete each week, depending on which class and year group they are in.

Thank you for your ongoing support.

Miss Breakell and Mrs Jordan
