5<sup>th</sup> June 2026

Dear Parents and Carers,

You may be aware of recent national reports regarding asbestos being found in a small number of sand-based craft and play products sold in the UK.

Following guidance from Worcestershire County Council, we have reviewed the play sand used at Tibberton CE First School. I am pleased to confirm that our sand is Pennine Children's Play Sand, which is sourced from the UK and has been independently tested for asbestos, with no asbestos detected.

Parents who have play sand, sand art kits or similar products at home may wish to check the Government's product recall website, which is being regularly updated as further information becomes available. The latest recalls and safety notices can be found here:

[https://www.gov.uk/product-safety-alerts-reports-recalls?keywords=asbestos&product\\_alert\\_type%5B%5D=product-recall&product\\_recall\\_alert\\_date%5Bfrom%5D=01/01/2026](https://www.gov.uk/product-safety-alerts-reports-recalls?keywords=asbestos&product_alert_type%5B%5D=product-recall&product_recall_alert_date%5Bfrom%5D=01/01/2026)

We will continue to follow advice from Worcestershire County Council and relevant government agencies and will update families if there are any further developments.

Thank you for your continued support.

Kind regards,

Rhiannon Jordan

Head of School
