24th June 2026

Dear Parents and Carers,

Due to the Met Office moving from an Amber Warning to a Red Warning- Extreme Heat, and exceptionally high temperatures in our classrooms, I would like to update you on the further changes for Wednesday 24<sup>th</sup> and Thursday 25<sup>th</sup> this week.

Following risk assessments today and changing circumstances, **we will be regrettably closing at 1 pm on both days for all pupils.** Please arrange the collection of your child promptly at 1 pm on these days. To help us dismiss safely, please ensure we have the relevant permission needed.

These arrangements will remain in place on **Wednesday and Thursday** of this week while the current heatwave continues. We will continue to assess the situation and if anything changes, we will let you know as soon as possible.

Thank you for your understanding and support as we work to keep all pupils as comfortable and safe as possible during this period of extreme weather.

Kind regards,

Mrs Jordan

Head of School
