Exec. Headteacher: Mr A Gromski NPQH

Head of School Mr J Uren NPQH

Tel Hindlip 01905 453455

25th June 2026

Dear Parents and Carers,

Thank you for your support and flexibility during what has been a very tricky week for us all.

I would like to update you on the arrangements for tomorrow. This is based on the forecasted Met Office amber weather warning and continued high temperatures.

In light of these predicted circumstances, parents who wish to collect their child(ren) early, may do so at **1 pm on Friday, otherwise collection will be normal time of 3.15 pm.**

If you are unable to collect your child at **1 pm**, please be assured that school will remain open until **3:15 pm**,

Please can all children bring a packed lunch tomorrow as we have no hot dinner service. We will cancel all pre-paid/prebooked meals.

To help us plan staffing and ensure pupils are dismissed safely, **we would appreciate advance notice if you intend to collect your child at 1 pm. Please email the school office informing us.**

Thank you to those who let us know each morning if their child is not going to be in school. Please continue to let us know, every day, if your child will not be here, so we can account for every child and fulfil our safeguarding duty.

Kind regards,

Mrs Jordan

Head of School
