23rd January 2025

Our aim is for all of our pupils to read easily, fluently and with good understanding.

Dear Parents,

Happy New Year! You will already be aware of how important reading is.

We are incredibly proud of the love of reading that we see every day at school. This is reflective of the team effort from yourselves, your children and all the staff in school so thank you!

Previously, to raise the profile of reading at home and encourage the children to do this we have awarded raffle tickets to those who are reading regularly at home. These were then entered into a half termly draw and the winners from each class joined Mr Gromski for a 'Tea Party' and a story!

Recently we have noticed that the number of raffle tickets have reduced and some children have been disheartened by not winning a tea party space. We would like to motivate and reward all children so we have decided to stop the raffle ticket system. This will be replaced with half termly reading rewards in addition to the fortnightly reading certificates.

We hope that you will support us in encouraging your child to read regularly at home and make a record of their reading in their reading diary.

We look forward to seeing you on 29th January in school for our reading afternoon.

If you have any questions regarding further reading, the benefits of reading and how you can support at home please take a look at the school web site, contact me via the office or pop in and see me.

Reading is essential for children to become successful in school and their journey through life. The better a child can read, the easier it is for them to learn in school. Reading feeds directly into writing. The language that your child hears and reads has a huge impact on the quality of their writing. The more words they will know and be able to use!

Happy reading!

Warm regards

Mrs Rhiannon Jordan
