Dear Parents and Carers,

RE: Ofsted Parent View

As you may be aware, we are expecting Ofsted this school year. In fact, we suspect that we will receive a visit this term. We are looking forward to sharing all we do as a school and for them to meet your wonderful children.

It would really help us to have an up-to-date Ofsted Parent View survey result, reflecting your views of Tibberton School for the 2024/25 academic year. We appreciate that many of you completed a survey for us in February, but we would really appreciate your support in completing a survey again. For those of you to whom this is new, Ofsted Parent View is an online survey that allows parents to give their views about their child's school.

Your support and your opinions are incredibly important to us so we would **really** appreciate it if you could help us by sparing a few more minutes to complete the short Ofsted Parent View survey. You can do this by following the below link.

Whilst we would really appreciate your help as soon as possible, we will also have iPads and sign in slips you can use when you attend parents evening appointments. It is very quick to get started, by registering an email and setting up a password, after which you will respond to 14 brief statements and questions. **Please follow the link and get started!**

Ofsted Parent View

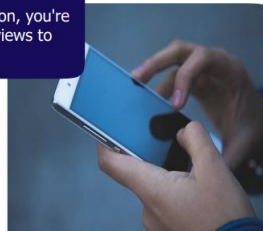

Are you a parent?

Have you heard of Ofsted Parent View?

Ofsted Parent View is an online questionnaire for you to give your views about your child's school.

You can fill it in at any time of the year.

During an Ofsted inspection, you're also invited to give your views to inspectors using it.

Thank you in advance for your support in completing this survey.

Warm regards,

Mr Gromski
