Dear Parents/Carers

Great Fire of London Workshop 09/09/2026

Your child's first topic this year in Middle Unit is Fire. We will predominately be looking at the Great Fire of London across the curriculum.

To help bring this event to life we would like to organise an immersion in history day. This will be led by a visiting organisation that will deliver practical activities, role-play and drama giving the sense of travelling into the past. This will be on Wednesday 9th September. It is for the whole day, and the children will be encouraged to dress up.

The total cost for this session is £476 so will mean that we will be asking parents for a contribution of £18.50 per child. This is to cover all resources and the cost of the visiting group.

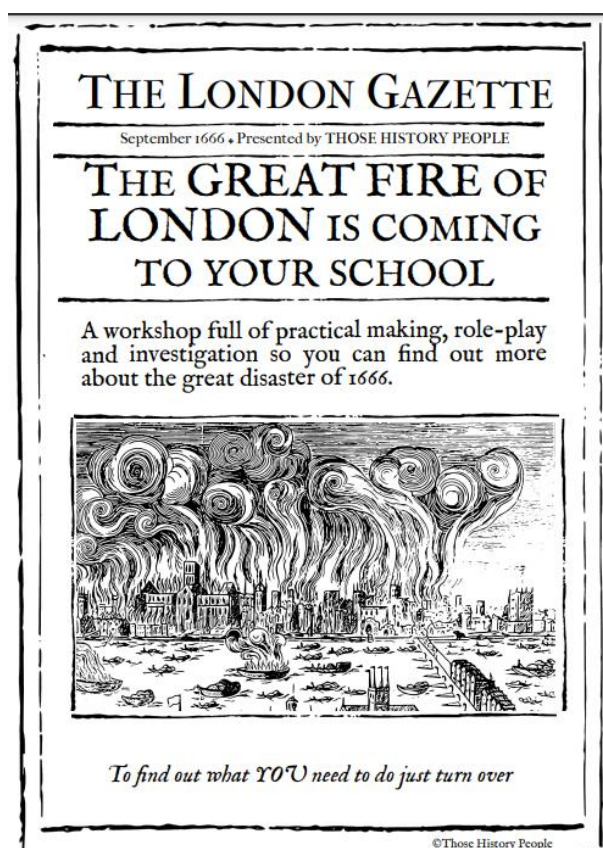

Please complete and return the slip overleaf as soon as possible. We request that the payment is made by Monday 7th September using Payments4Schools.

Whilst we recognise this is a large amount; it does work out cheaper than a trip out of school as we are not having to pay ever increasing travel fuel costs. The value of these activities for children's learning and engagement is huge, the session provides a multi-sensory approach to history, making it come alive.

Thank you for your support, without it we would not be able to run activities like this. If you have any questions, please do not hesitate to contact me.

Kind regards

Mrs Jordan
