Thursday 10<sup>th</sup> July 2024

Dear Parents/Carers,

## **RE: KidsF1rstLtd Tibberton After School Care**

I am delighted to share some wonderful news with you. Starting soon, *KidsF1rstLtd* will be offering after-school wrap-around care at the new Tibberton Village Hall. This service will be a fantastic resource for our school community, offering extended after school care options for your children in a safe and nurturing environment.

They are aiming to have this service in place by September. However, before they can officially open the doors, the premises need to be inspected by Ofsted. We are optimistic that this inspection will occur during the summer holidays, allowing the service to be fully operational for the new school year. If this is not the case then it will begin at the soonest opportunity in the Autumn term.

In the meantime, we encourage you to start the registration process. Please contact Rebecca Hughes at KidsF1rstLtd via email to request a registration pack, with the subject line *Tibberton After School Care Registration*: [kidsf1rstltd@outlook.com](mailto:kidsf1rstltd@outlook.com)

Completing this paperwork will allow you to register for the service and to book your spaces.

Attached alongside this letter, for reference, is another copy of the information pack you have already received from KidsF1rstLtd.

We are thrilled about this new offering and believe it will greatly benefit our pupils and their families. Thank you for your ongoing support and cooperation as we work to provide additional resources and opportunities for our school community. Also, a big thank you to the Tibberton Village Hall Committee who are supporting this exciting new venture.

Warm regards,

Mr Gromski and Mrs Jordan
