A huge welcome to all our new families and a big welcome back to all of the children and staff. We hope that you all had a lovely summer and lots of quality time together. It has been wonderful to see all of the children catching up with friends old and new! All of the children have clearly been enjoying their learning this week. All classes have begun their new topics, and the children have been giving their ideas to their teachers about what they would like to learn as part of these. The new Knowledge Organisers and Curriculum Overviews will be available on our website shortly, to allow you to support learning at home. Please see the date list for upcoming events and information for your diaries. Meet the teacher meetings are especially important where you will find out about expectations for the year and you will receive our all-new math's homework books! The Friends PTA AGM is on the evening of the 29th of September, and everyone is very welcome. Friends are busily mapping out a year of wonderful events for our children which will begin with an ice-cream sale (weather depending) next Friday. Please note that we have vacancies for Teaching Assistants within our School Federation as well as a Teaching vacancy and we will be advertising a part-time Lunchtime Supervisor position at Tibberton shortly. If you or anyone you know might be interested then please pass on this information and take a look at our websites. Have a lovely weekend,
Mr. Gromski and the team.
