

Roald Dahl
1916 - 1990

What did our local area look like in the past and how do we know?

What are different types of maps used for?

Marvellous Me!

What are the features of a map?

Mick Inkpen
1952 - present

80% of your brain tissue is made of water!

What do we need to stay healthy?

What do Christians believe God is like?

5 a day is good, 10 a day is better!

What are the physical and human features of our local area?

How do we create a key and what do we include?

Key Vocabulary

sketch map	A simple map with only basic details.
key	Helps us understand map symbols. Also known as a legend.
compass rose	This is printed on a map to show different directions.
map symbol	A picture or a sign on a map that represents something else.
Ordnance Survey	A survey organisation in the UK which prepares very detailed maps of the country.
physical feature	A feature that has been formed by nature.
aerial view	A view from above. Also known as a 'bird's-eye' view.
human feature	A feature that has been made or changed by humans, e.g. bridges.

What Is a Map?

A map is a drawing of an actual place that uses lines and **symbols** to represent real-life objects. People have used maps for hundreds of years to help them travel from place to place.

Types of Maps

There are many different types of maps, such as:

- Sketch maps**
- Road maps
- Ordnance Survey** maps
- Climate** maps

Key Features

Key features of maps include: a title, a **compass rose**, **symbols**, a **key** and different colours for important things, such as green for forests and blue for rivers.

Woodland	River
Moor Land	Viewpoint
Lake	Castle
Contour Line	Church
Road	Water Fowl
Woodland Boundary	

Compass Directions

People use a **compass** to help them position and use a map accurately. The main points of a **compass** are north, south, east and west.

Planning a Route

When planning a journey using a map, people think about the quickest or safest **route**.

How can we learn about the history of our local area?

Visit local museums and libraries and local history websites to look at old maps and photos

Talk to local inhabitants about their memories of the area.

Explore the local area and look for clues about its past eg statues, street names, graveyards.
