## Friends Ice Cream Sale 24/6

On Fridays starting 24/6 (and Thursday 21st July—last day of term) Friends will sell ice cream to the children to eat at the end of the day.

Rocket lollies are 50p. Cornetto's are £1

- Children do not need to bring money to school.
- That will be the adult's job at pick up
- It will work very much like a bake sale
- Children will be dismissed and Friends will be on the playground selling lollies/cornettos
- You (or the adult collecting your child) can pay them if you would like your child to have one
- No money needed in school—no ordering needed

## COURAGE is our value this half-term

This is a very pertinent value as our Y3 and Y4 pupils prepare for their outdoor and adventurous trips. Our Y4's are also preparing to move onto their next schools where their courage will help them to settle and flourish in larger settings. Courage comes in many forms and is also being able to stand up for what you believe in and do the right thing, even when it's hard. In the

Bible story **Daniel and the Lions (Daniel 6: 10-18)** Daniel decided to follow God even though he knew he might be thrown into the pit of hungry lions! His courage teaches us that we need courage to make the right decisions and stand up for our beliefs and for others.

It is very exciting to have taken the children back to the Three Counties Show, after three years break! The children sang beautifully and had a wonderful (if hot, hot, hot) day. Our teaching students are coming to the end of their placements at the moment so we would like to thank them all for their time and energy working with our children. Our Governor Teaching and Learning committee met this week to look at the attainment of our pupils after two years of COVID disruption to learning. They were really pleased to see the impact our staff have made on the social, emotional and academic progress pupils have made in the curriculum. Through lessons, interventions and lots of wonderful opportunities. We have also had governor visits from Mrs Clarke to look at PE and French, as well as Mrs Rowley to look at Science. Thank you to our hardworking governor team for all their time. We were very excited to have our new intake meetings this week and meet our new families. The first taster session is next week and we can't wait. Have a good weekend.

Mr Gromski and the team.

## Bridge Closure w/c 20/6

One of our lovely dinner ladies spotted a sign just before the bridge that said Tibberton bridge would be closed next week, 20/6 for 5 days. Sadly we don't know anymore than this but hopefully this notice will enable you to plan your journeys to avoid the bridge.

## Y2 Cricket Afternoon 22/6

Please can Y2 bring a packed lunch to school. They should come to school on Wednesday wearing their PE kit with school sweatshirt/cardigan, bring a water bottle and a sun hat and have sun cream applied at home if appropriate. Please provide a coat or track-suit if the weather turns colder. The bus will depart at 12 and return for 3.15 pm.

# Science Week!

We found out what happened to our heart beat, after completing different activities.

We found out the harder we worked...the faster our heart beat got!

We made sure our test was fair, by using the same people and doing each activity for the same amount of time.

This week MU have been exploring poetry and sketching Indian flowers as part of our new topic on India.

PIC•COLLAGE

## Dates for the Diary (updates in red)

- Monday 20th June—Reception Heights & Weights—opt out—letter sent 5/5

Come along and see our fantastic, rural setting and meet our wonderful staff.

Places available for 2, 3 & 4 year old children from September 2022.

For more information or to book, please contact: 07419 582484 or [crowle.preschool@live.co.uk](mailto:crowle.preschool@live.co.uk)

## Costumes for our summer production Pirates verses Mermaids

**Reception children are PARROTS:**

To wear brightly coloured t shirt and shorts or leggings (no jeans please)

**They will need PE pumps!**

A feather covered headband will be made in school.

**All children in Year 1 and 2 are Pirates or Mermaids (your child can choose!)**

**All children need to wear PE pumps.**

Homemade/easy costume are totally fine!

**Mermaid costumes** can simply be something shiny or sparkly with a beaded necklace and or a headband/tiara. Mermaid costumes are also good but cannot be long as children will need to get on and off stage.

**Pirate costumes:** shirt with trousers or skirt, scarf for head, scarf or belt for waist,

(eye patch optional) No swords or guns!

**Year 3 and 4: Your child will know their character** and unless they are a parrot or crocodile then they are either a mermaid or pirate so see above details.

I am sure they will all look fab with your help and creativity but please see me about any of the above if you have any queries.

Many thanks in advance!

Mrs Turner

## Friends Needs You!!

For the last five years, Claire Richardson and I (Sophie Corkhill) have immersed ourselves in the School Friends Committee. We both felt like we had years of time to invest in the school to try and make a difference, not only to school funds but school life.

Between us we will have had 7 children spend their school years at Tibberton.

We write to you as our time as Co-Chairs on the Friends Committee is coming to an end in July.

We are sending out a plea for help in the form of new & fresh Co-Chairs or even Chair to run the Friends Committee.

It is absolutely vital that these roles are filled, the Committee raises funds that pay for and contribute to a huge amount of school equipment and events that the school cannot afford.

We have raised funds that have enabled school to purchase iPad, laptops, interactive whiteboards and outdoor equipment.

The funds raised allow us to give all of our children the best start to their time at school.

Without parents coming forward, sadly the Committee cannot run and the incredible extras that are available in school will no longer be viable as quite simply the funds that the Committee raise will no longer be there.

If anyone can give up some of their time to contribute to helping Tibberton continue to raise much needed funds, please see myself or Claire Richardson.

Thank you!
