Thursday 09/01 Y4 Science Workshop

Several parents responded to the invite from St Nicholas, sent home on Wednesday 11th December, asking if parents and their Y4 child(ren) would like to take part in an enrichment afternoon between 1.30 and 3pm on Thursday 9th January. Any invites received by this office have been forwarded directly to St Nicholas on your behalf. Please collect your child at 1pm on the day, just as the lunch break finishes, and sign children out of school. Please ensure we are aware of any alternative arrangements in advance that will be made for the collection of siblings at the end of the school day should you still be at St Nicholas. Emails sent in on Thursday afternoon may not be picked up. If you have not booked on the workshop and would like to, please contact St Nicholas Middle School directly to see if there are any places still available. Niki Nicholson 01386 554196

What a fantastic and busy week it has been! We have Christmassed the children right up to the end! A massive thank you to our amazing team here at Tibberton that have worked so hard to create such a fun term, but have really pulled out all the stops this week. At the beginning of the week Mrs Turner produced and directed the school Nativity with amazing skill, it's quite an accomplishment to direct 71 actors! Mrs Greig did a super job of decorating the tables for Christmas dinner on Wednesday, the children loved the little handmade trees and table decorations, the lunchtime team created a lovely atmosphere. Miss Breakell did a fab job of entertaining the children with Christmas activities last night and DJ'd the disco—superstar! Mrs Minor has been dressed as a Christmas tree each day from the early hours to keep the fun going at breakfast club, and the Christmas music can be heard through the fire exits in the car park from the small hours as we arrive! All the teachers and teaching assistants have been making cards and calendars and party hats, the bells have been ringing with the Christmas post box deliveries and what an amazing set of Christmas jumpers we have seen! Not to be outdone our dedicated Friends team are here again, this time wrapping gifts hand picked by your children. Mrs Dickens our hard working Governor, has, as always, been ever present and Mrs Adams has been multi tasking with remote office support from home when she couldn't always be here. We hope you have a super (and illness free) Christmas. Thanks to all of you too!—it's been a long term (note newsletter 15!) Keep collecting those stamps for RNIB please! Have a super break one and all! Mr Gromski & Mrs Jordan

Christmas Disco

Karate

Should any child be interested in starting or continuing with Karate. Gary McCleagh runs session between 6-7pm in St Nicholas Church Barn on a Monday night.
