Fri	<ul style="list-style-type: none"> Radio Club UU—Rugby—Outdoor Kit Y1/2/3 Multi skills 3-4 pm Y4 ICT Club 3-4 pm

Governors—All About Me

Mrs Clarke is a co-opted governor, and former parent at Hindlip. She has 8 years' experience of being a governor not only at Hindlip and Tibberton but also at a local middle school where her roles of responsibility have included the role of chair and vice-chair. Kathryn has a good working knowledge of how a school is run and has been a member on a variety of committees involved with being a governor.

Y1 Sound Packs

All Y1 children have been given a wallet with all the Y1 sounds we teach and learn. Please practise these at home. The quicker the children can say each sound the better. Please keep them in your child's book bag. We will collect them in later in the year.

The children have enjoyed being out and about this week. UU had a brilliant time at the Hive and then on their river walk, timed with another flood! MU had a watery visit to the Sealife Centre and enjoyed exploring all the creatures under the sea.. Both Mrs Turner and Ms Sabine could not stop raving about how well behaved the children on both trips were and how proud they felt. On Monday Reverend David and Mrs Dickens led a Candlemass Assembly where we found out about Jesus' presentation at temple. Thank you to the PTA, Miss Breakell and Mrs Minor for a wonderful Valentine's disco on Tuesday evening in a beautifully decorated hall! This half term has been a busy one and we look forward to all the exciting things planned on the run up to Easter. Further information for Book Day is being sent home this week. We hope that everyone will embrace the 4 week reading challenge at school and home. We are excited to include an update from the Howell's all the way from Australia!

We all wish you a happy and dry(!) half term.

Achievements

Congratulations to all those children who received Head Teacher, reading, lunch time and value awards this week. Our value next half term is Courage.

MU need outdoor PE Kit Tuesday and indoor PE kit Friday including pumps, UU need Rugby Kit Fridays afternoons

Valentine Disco 2020

The River Severn

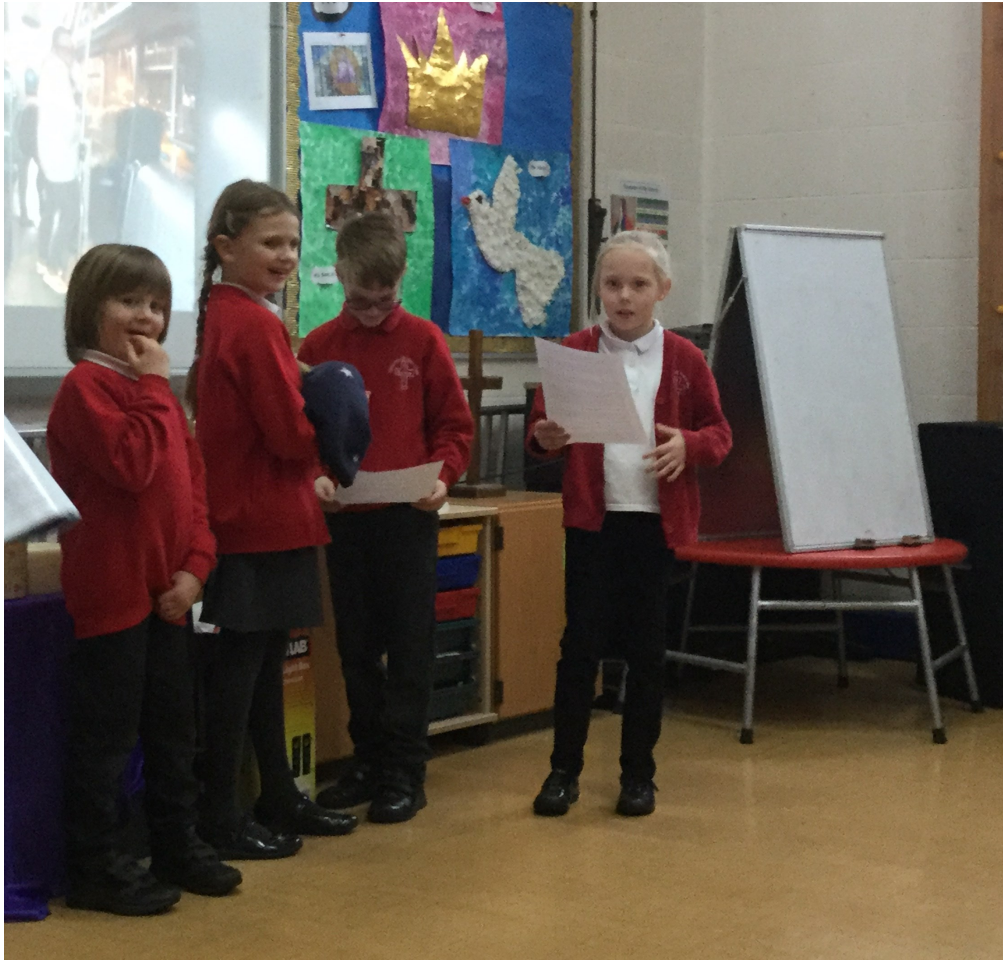

Happiness
at the Hive!

PIC•COLLAGE

*MU visit to the
Sea Life Centre*

Candlemass

On Monday the children found out about Candlemass, when Jesus was first presented by Mary and Joseph at temple in Jerusalem to say thank you for his birth. As described in St Luke's Gospel they met a man called Simeon who blessed Jesus and said he would be like a bright shining light in the world.

Candles are lit at Candlemass to remember Simeon's words and to help us to live our own lives like lights shining in the world. Thank you Rev. David for a fantastic service.

An Update from Friends "Down Under"

The lovely Howell's girls

Hi all,

Thought we'd drop an update on the girls.

They've all started their new school in Tieri State School and doing very well. The school has visitors like koalas.

They are in the trees here. Well 2 we see regularly.

They all send love and sunshine to their friends at Tibberton.

Jade x
