

Tibberton and Hindlip School News

It has been lovely catching up with all our families the week and hearing about all the exciting and interesting things you have all been doing to keep busy. We love seeing all your photos and hope you like this weeks newsletter—see if you can spot some of your friends! The staff in school have been keeping busy as well and miss you all. We have not set class home learning for the Easter break but have published some suggested Easter themed activities for you if you would like to have a go. Keep sending us some pictures of the things you are doing! We are busily sorting out class emails for after the holiday so you will be able to send your teachers messages and photos. Have a very happy Easter, love from the Hindlip and Tibberton Team.

A Prayer from Reverend David

We are not people of fear:
we are people of courage.

We are not people who protect our own safety:
we are people who protect our neighbours' safety.

We are not people of greed:
we are people of generosity.

We are your people God,
giving and loving,
wherever we are,
whatever it costs
For as long as it takes
wherever you call us
Amen.

Love and prayers, Reverend David Morris
