## THE WEEK AT A GLANCE

### Attendance

As you know we are incredibly proud of the efforts our families make to be in school and on time. To celebrate this we will be recognising the class with the highest attendance and punctuality. For the week ending 25th September this honour goes to Upper Unit. **Well done.**

### Flu Forms—Consent/Non Consent

Children are bringing home flu forms today. These are due back by Friday 9th October please so that school nurses can order the required vaccine quantities before half term. We require a response from every parent please even if you do not give your consent. Where consent is not given the vaccine will not be administered to your child(ren) on November 2nd.

### Awards

Please see photos of children in each of the five year groups (within their class bubble) who received Head Teacher's and Value (Perseverance) Awards this week.

### Social Distancing

Just a reminder that when it's raining, normal drop off times still apply for each bubble. Unlike in previous times when children came straight into school, Covid19 doesn't stop for the weather. If you arrive early for your bubble drop off, unfortunately you will get wet whilst we maintain social distancing and wait for the respective bubble families to arrive. Please remind children to be respectful to others and keep the paths clear so those from other bubbles can pass through to the school gates safely. We would like to avoid further spacing out of the drop off and pick up times if we can. .
